BACKGROUND:

Under the Recovery and Rehabilitation Act 2009 West Valley City, as an entitlement entity, has been notified that they will receive \$250,000 to be used to: preserve and/or create jobs and promote economic recovery; assist those most impacted by the recession; provide investment needed to increase economic efficiency; invest in transportation, environmental protection, or other infrastructure that will provide long-term economic benefits; minimizing or avoid reductions in essential services; or foster energy independence. Following these guidelines the usage of the CDBG-R funds will meet the requirements of Title XII of Division A and Section 1602 of ARRA.
